THE GOLF COURSE

Important information about the course

SAFETY

The safety of golfers at Sickleholme is obviously of the utmost importance.

We ask that all golfers observe the etiquette of the game and if you hit a wayward shot, please shout 'fore' to warn anyone who might be in danger.

In addition, there are several public paths which cross the golf course and priority must be given to people using them.

Please be sure to check before playing your shot on these holes and bear in mind that these people may not understand the intricacies of golf or realise that they could be in danger.

PACE OF PLAY

To maintain the enjoyment of everyone playing at the club, we encourage all golfers to maintain an acceptable pace of play at all times.

The club is committed to the R&A initiative of 'Ready Golf' – you can read more about this on their website.

CARE OF THE COURSE

Please take care of the course by repairing pitchmarks, raking bunkers and replacing divots.

STRAY BALLS

If your ball leaves the boundary of the course, either onto the surrounding roads or the car park to the left of the 18th hole, please notify the Office or the Pro Shop - especially if you believe you may have caused damage to any vehicles or property.
